

## Manufacturing Month 2016

The Marinette Menominee Area Chamber of Commerce is proud to support Manufacturing Day with local businesses and community schools. Although National Manufacturing Day is October 7<sup>th</sup> 2016, we will be celebrating throughout the month in order to honor and raise awareness of the many opportunities within this exciting industry.

These local businesses will open their facilities for 5<sup>th</sup> through 12<sup>th</sup> grade students to learn more about manufacturing, and address the common misconceptions of what careers look like in our industries:

- Anchor Coupling
- Enstrom Helicopter Corporation
- FINCANTIERI Marinette Marine
- KS Kolbenschmidt US, Inc.
- L.E. Jones Company, LLC
- Quality Assembly & Logistics
- Silvan Industries
- Tyco Fire Protection Products
- Waupaca Foundry
- Winsert, Inc.

Participating schools are:

- Marinette
- Menominee
- Peshtigo
- Stephenson

By working together during and after Manufacturing Day, local manufacturers will connect with future generations and provide an image of modern manufacturing and the diversity of job opportunities it provides.
